

2011 International Applied Reliability Symposium (ARS)

June 7 - 9, 2011

at the [Marriott Mission Valley Hotel](#) in San Diego, California USA

Symposium's Theme: *"Sharing applications, success stories and lessons learned in reliability and maintainability engineering."*

Dear Fellow Reliability Practitioners,

The organizers, ReliaSoft Corporation and the Alion System Reliability Center, of the **International Applied Reliability Symposium (ARS) – North America** would like to make sure that the **2011 event in San Diego, CA** is in your near-term plans. The International Applied Reliability Symposium continues to forge a tradition that blends professional growth and the opportunity to develop connections with other reliability practitioners that support the application of reliability principles to meet real world challenges.

The 2011 International Applied Reliability Symposium – North America will be held June 7-9, 2011 at the Marriott Mission Valley Hotel in San Diego, CA. **For more information about the 2011 event please check [here](#).**

The following important dates are fast approaching as the 2011 event is less than 2 months away.

- April 15, 2011 – Last day (**this Friday**) for Early Registration for ARS. The discounted rate is \$995. The standard registration fee of \$1,195 will be charged after April 15th.
- May 16, 2011 – Last day to reserve discounted rooms at the San Diego Marriott Mission Valley. Please refer to "ReliaSoft Corporation" and/or the "Applied Reliability Symposium" when making your reservations.
- June 7-9, 2011 – Attend International Applied Reliability Symposium.

The Symposium fee includes:

- Your choice of presentations each day
- Copies of the Proceedings and any other handouts
- Thursday evening Awards Dinner

- Daily continental breakfast and refreshments during the breaks
- Certificate of attendance

Additionally, attendees are eligible for 1.8 CEUs and 1 CRP Course Credit.

The Symposium's focus is on the practical application of reliability related experiences. You will be certain to walk away with many new ideas, and maybe even a few new friends.

Program Matrix of Event Topics:
