

## 2011 International Applied Reliability Symposium (ARS)

June 7 - 9, 2011

at the [Marriott Mission Valley Hotel](#) in San Diego, California USA

**Symposium's Theme:** *"Sharing applications, success stories and lessons learned in reliability and maintainability engineering."*

Dear Fellow Reliability Practitioners,

The organizers, ReliaSoft Corporation and the Alion System Reliability Center, of the **International Applied Reliability Symposium (ARS) – North America** are anxiously awaiting the **2011 event in San Diego, CA** and would like to send a final reminder. The International Applied Reliability Symposium continues to forge a tradition that blends professional growth and the opportunity to develop connections with other reliability practitioners that support the application of reliability principles to meet real world challenges.

The 2011 International Applied Reliability Symposium – North America will be held June 7-9, 2011 at the Marriott Mission Valley Hotel in San Diego, CA. **For more information about the 2011 event please check [here](#).**

The following important dates are fast approaching as the 2011 event is **less than 1 month away**.

- May 16, 2011 (**next MONDAY**) – Last day to reserve discounted rooms at the San Diego Marriott Mission Valley. Please refer to "ReliaSoft Corporation" and/or the "Applied Reliability Symposium" when making your reservations.
- June 7-9, 2011 – Attend International Applied Reliability Symposium.

The Symposium's focus is on the practical application of reliability related experiences. If you are still undecided about attending the **2011 event in San Diego, CA**, please take a peek at this year's program to see what you would be missing. You will be certain to walk away with many new ideas, and maybe even a few new friends.

Program Matrix of Event Topics:

In addition to the multitude of practical and educational presentations for our attendees, we have also scheduled a fun pool-side reception for Tuesday evening (June 7<sup>th</sup> from 5:30pm - 6:30pm). Then on Thursday night (June 9<sup>th</sup> from 6:00pm – 9:00pm) we will host our awards banquet with free food and drinks.

We look forward to seeing all of the reliability practitioners we now call friends from connections at the past 6 Symposiums and the opportunity to make new friends at the 2011 International Applied Reliability Symposium – North America.
