

2013 International Applied Reliability Symposium (ARS)

June 5-7, 2013

at the [Minneapolis Marriott City Center](#) in Minneapolis, Minnesota USA

Symposium's Theme: *"Sharing applications, success stories and lessons learned in reliability and maintainability engineering."*

Dear Fellow Reliability Practitioners,

The organizers, [ReliaSoft Corporation](#) and the [Alion System Reliability Center](#), of the **International Applied Reliability Symposium (ARS) – North America** would like to make sure that the **2013 event in Minneapolis, Minnesota** is in your future plans. The International Applied Reliability Symposium continues to forge a tradition that blends professional growth and the opportunity to develop connections with other reliability practitioners that support the application of reliability principles to meet real world challenges.

The 2013 International Applied Reliability Symposium – North America will be held June 5-7, 2013 at the Minneapolis Marriott City Center in Minneapolis, MN. We are looking forward to Minneapolis, MN hosting the International Applied Reliability Symposium for the first time after previous successes in San Diego, CA, Reno, NV, New Orleans, LA, and Orlando, FL. **For more information about the 2013 event please check [here](#).**

The following important dates are fast approaching as the 2013 event is **less than 1 month away**.

- May 15, 2013 – Last day to reserve discounted rooms at the Minneapolis Marriot City Center in Minneapolis, MN. Please refer to "ReliaSoft Corporation" and/or the "Applied Reliability Symposium" when making your reservations. If booking through the ARS website, the code associated with the special ARS rate will automatically be applied. Click [here](#) for more information or to make a reservation.
- June 5-7, 2013 – Attend International Applied Reliability Symposium.

The Symposium's focus is on the practical application of reliability related experiences. If you are still undecided about attending the **2013 event in Minneapolis, MN**, please take a peek at this year's program

to see what you would be missing. You will be certain to walk away with many new ideas, and maybe even a few new friends.

Program Matrix of Event Topics:

In addition to the multitude of practical and educational presentations for our attendees, we have also scheduled a reception for Wednesday evening (June 5th from 6:00pm – 7:00pm). Then on Thursday night (June 6th from 6:30pm – 9:00pm) we will host our dinner with hosted bar and buffet. Finally, on Friday (June 7th from 12:00pm – 12:30pm) there will be a closing ceremony and awards presentation.

We look forward to seeing all of the reliability practitioners we now call friends from connections at the past 8 Symposiums and the opportunity to make new connections at the 2013 event as we travel from the end of the Mississippi River (2012 event in New Orleans, LA) to the head waters of the Mississippi River and the “The Land of 10,000 Lakes” for our first ARS event in the Twin Cities region. For those that are unable to attend the 2013 event we hope you consider attending the 2014 event being planned in Indianapolis, Indiana.
