Foreword.....	v
Abbreviations and Acronyms	xiii
1.0 INTRODUCTION	1
1.1 Supply Chain Management.....	1
1.2 Optimizing Supply Chains.....	2
1.3 Supplier Relationship Management.....	3
1.4 Operational Integration	3
1.5 Potential Impacts of E-Procurement	4
1.6 Financial Implications of Supply Chain Management	4
1.7 Organization of this Publication	7
1.8 Conclusions.....	7
2.0 THE TOTAL VALUE CHAIN.....	9
2.1 The Value Chain Concept.....	9
2.2 Supply Chain Management and the Extended Enterprise	12
2.2.1 Supply Chain Concepts and Model Development	13
2.2.1.1 Early Supply Chain Models	13
2.2.1.2 Recent Model Development.....	14
2.2.2 Production Versus Non-Product Materials and Services.....	19
2.3 Total Cost of Ownership (TCO)	21
2.3.1 TCO Concepts and Definitions	21
2.3.2 TCO Models and Cost Elements.....	22
2.3.3 TCO and Life-Cycle Costing	24
3.0 SUPPLY CHAIN PLANNING AND ANALYSIS	25
3.1 Customer-Focused Supply Chain Management	25
3.1.1 Supply Chain Design Considerations	26
3.1.2 Strategic Supply Chain Planning	27
3.1.3 Operational Supply Chain Planning.....	30
3.2 Supply Chain Optimization	35
3.2.1 Supply Chain Mapping	35
3.2.2 Supply/Demand Forecasting	38
3.3 Aggregate Planning.....	42
3.3.1 Material Planning and Control	42
3.3.2 Distribution, Transportation, and Other Considerations.....	43
3.4 Outsourcing.....	43
3.5 Supply Chain Performance Management	45
4.0 STRATEGIC SOURCING	49
4.1 Strategic Sourcing Compared to Traditional Purchasing	49
4.2 Strategic Sourcing Organizational Development	50
4.2.1 Commodity Management.....	50
4.2.2 Cross-Functional Sourcing Teams	54
4.3 Strategic Sourcing – A Systematic Process	55
4.3.1 Step 1 – Sourcing Data Analysis.....	56

Table of Contents (Cont'd)

		Page
4.3.2	Step 2 – Develop Sourcing Strategy	58
4.3.3	Step 3 – Profile Suppliers.....	61
4.3.3.1	Supply Market Analysis.....	62
4.3.3.2	The Preferred Supplier Profile	63
4.3.3.3	Identifying and Qualifying Potential Suppliers	64
4.3.4	Step 4 – Developing and Distributing the RFQ.....	66
4.3.4.1	The RFQ Process	66
4.3.4.2	The Request for Quotation.....	67
4.3.4.3	The Supplier Conference	68
4.3.5	Step 5 – Proposal Evaluation and Supplier Selection	69
4.3.6	Step 6 – Implement Sourcing Agreements	69
4.3.6.1	Complete Supplier Qualifications.....	71
4.3.6.2	Complete Final Negotiations and Finalize Agreements	71
4.3.6.3	Implement Metrics and Monitor Supplier Performance	73
4.4	Key Issues in Strategic Sourcing	73
5.0	SUPPLIER MANAGMENT.....	75
5.1	Supplier Management Overview	75
5.1.1	Supplier Relationship Models.....	75
5.1.2	Supplier Relationship Management.....	77
5.2	Supplier Performance Management.....	80
5.2.1	Establishing Expectations	80
5.2.2	Systematic processes for Supplier Performance Management	81
5.2.3	Performance-Based Incentives.....	84
5.3	Supplier Development	85
5.3.1	Initial Supplier Qualification	85
5.3.2	Operational Performance Improvement.....	85
5.3.3	Supplier Integration.....	86
5.4	Supplier Partnering	86
5.4.1	Drivers of Supplier Integration	86
5.4.2	Forming Supplier Partnerships.....	87
5.4.3	Operational Management of Supplier Partnerships	91
6.0	LOGISTICS.....	93
6.1	Logistics and the Supply Chain	93
6.2	Logistics in the Competitive Environment	95
6.3	Logistics as a Supply Chain Integrator	98
6.3.1	Logistics Planning Systems	98
6.3.2	Logistics Execution Systems	102
6.3.2.1	Warehouse Management Systems	102
6.3.2.2	Transportation Management Systems.....	102
6.4	Current Trends and Developments in Logistics	103
7.0	e-PROCUREMENT AND SUPPLY CHAIN INFORMATION SYSTEMS.....	107
7.1	Overview.....	107

Table of Contents (Cont'd)

	Page
7.2 e-Procurement.....	108
7.2.1 Development and Scope of e-Procurement.....	109
7.2.2 E-Commerce Exchanges.....	110
7.2.3 Electronic Reverse Auctions.....	111
7.3 Supply Chain Information Systems.....	114
7.3.1 Supply Chain Planning Systems.....	117
7.3.2 Supply Chain Execution Tools.....	118
7.3.3 ERP-Based Supply Chain Tools.....	118
7.4 E-Supply Chain Implementation and Benefits.....	118
7.4.1 Implementation Strategies and Planning.....	118
7.4.2 Costs Versus Benefits.....	120
8.0 OPERATIONAL SUPPLIER INTEGRATION.....	125
8.1 Overview.....	125
8.2 Early Supplier Involvement.....	125
8.3 Supplier Integration in New Product Development.....	127
8.4 Supply Chain Management and Lean Manufacturing.....	131
Appendix A: Reference Materials and Sources of SCM Information.....	137
Appendix B: Sample Supplier Request for Information (RFI).....	145

List of Figures

	Page
Figure 1.6-1. Supply Chain Impacts on Financial Performance.....	5
Figure 2.1-1. Total Value Chain – Traditional Flow Model	9
Figure 2.1-2. Galvanized Steel Value Chain (Basic Oxygen Furnace (BOF) Process)	10
Figure 2.1-3. Hierarchical Supply Chain Model	11
Figure 2.1-4. A Supply Network Model.....	11
Figure 2.2-1. A.T. Kearney Supply Chain Model (1994).....	14
Figure 2.2-2. An Integrated Supply Management Model.....	15
Figure 2.2-3. Supply Chain Process Cycle Model.....	16
Figure 2.2-4. Business Process Supply Chain Model.....	17
Figure 2.2-5. SCOR Model Supply Chain.....	18
Figure 2.2-6. Scope of SCOR Processes	20
Figure 2.2-7. Supply Chain Model for A Commercial Cleaning Service	21
Figure 2.2-8. Total Cost of Ownership Concept	22
Figure 2.2-9. A Total Cost Model for an Electronics Manufacturing Operation	23
Figure 3.1-1. Model for Strategic Supply Chain Planning (Source: ISM).....	27
Figure 3.1-2. The Supply Chain Management Change Process (Kuglin)	31
Figure 3.1-3. The "Bullwhip" Effect	32
Figure 3.2-1. Supply Chain Map (Automobile Seat Physical Flow).....	36
Figure 3.2-2. How Demand Forecasting Drives Supply Chain Planning.....	39
Figure 3.2-3. Elements of Supply/Demand Planning (Adapted from Tyndall, et al).....	40
Figure 3.3-1. Manufacturing Planning and Control System.....	43
Figure 4.2-1. Some Typical Sourcing Organizational Models.....	53
Figure 4.3-1. A Systematic Process for Strategic Sourcing	56
Figure 4.3-2. Example of a Spend Analysis Spreadsheet.....	57
Figure 4.3-3. Graphical Analysis of Current Spend Data.....	57
Figure 4.3-4. Top Suppliers Pareto Analysis.....	58
Figure 4.3-5. Sourcing Strategy Matrix.....	61
Figure 4.3-6. Resource Requirements Versus Payback Potential for Different Sourcing Strategies.....	61
Figure 4.3-7. Example Top-Level Supplier Profile for Metal Parts.....	64
Figure 4.3-8. Supplier Identification and Evaluation Process.....	65
Figure 4.3-9. Source Selection Decision Matrix (Example)	70
Figure 5.1-1. Traditional Buyer-Seller Model.....	76
Figure 5.1-2. A Collaborative Buyer-Seller Model.....	76
Figure 5.1-3. Organizational Contacts Between Buyer and Seller.....	77
Figure 5.1-4. Supplier Relationship Hierarchy.....	78
Figure 5.2-1. Building Performance Management In to the Sourcing Process	81
Figure 5.2-2. Example of Supplier Scorecard	83
Figure 5.3-1. Twelve Steps to Supplier Performance (D. Nelson).....	86
Figure 5.4-1. Process Steps for Establishing and Managing Supplier Partnerships.....	89
Figure 6.1-1. From Logistics to Supply Chain Management (ISM)	94

List of Figures (Cont'd)
